

Esher District Cub Centenary Totem Pole

Dear Cubs, Cub leaders and everyone who has ever been a Cub.

To celebrate 100 years of Cub Scouts Esher District plan to install a Totem Pole at Polyapes Camp Site. This will be unveiled at the District Cub Activity Afternoon 30th October 2016, details will be sent out soon.

We need everyone's help to design what it should look like. Your answers and drawings to the attached questions will influence the artist in his design.

This Totem Pole is not meant to look like a Native American totem pole but be modern in its design. It's to depict the history, the experiences and fun of Cub Scouts from Esher District. It will be a lasting legacy to the next generations of Esher Cubs and something of a wonder to look at while at Polyapes Campsite.
